Printing Tips

- 1 Print **Actual Size** or **100% Scale**. Be sure "Fit to page" is not checked.
- 2 For laser printers, select **Print using system dialog** ⓘ and use printing **Properties** or **Preferences** to change the **Paper** or **Media Type** to **Labels** or **Cardstock**.
- 3 Select the correct **Paper Size** ⓘ and print a test sheet on plain paper.

This will enable you to easily print the sheet as sticky labels if you prefer.

Otherwise just print it on plain paper and cut out each square 35mm x 35mm

All the coins here can be found in general circulation and are listed in order of rarity with the [Kew Gardens 50p](#) being the rarest and the 2018 coins not yet having any circulation information available from the Royal Mint.

More details can be found on each coin at <https://50pence.co.uk>
